This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

PREFACE.

This, the second published volume of Watertown Records, continues the records begun in the first volume, and brings the proceedings down to the end of the town clerk's third volume, and the births, marriages and deaths down to 1737, the date of the setting off of Waltham as a separate township.

The committee in charge of the publication have had typewritten copies prepared of other portions of the records than those now appearing in this volume; but they have not fully collated them with the original text. Among these other records are those kept by the pastors of the town parish, beginning with those of the Rev. John Bailey for the years 1686 to 1692,—which are the earliest now known to be extant. The volume copied extends to February, 1819, with the records of baptism, marriages and the church membership. Copies of the records of the congregational and of the precinct affairs of the East Precinct from 1700 to 1737 have also been made, as well as of the unbound leaves of records mentioned on page IV. of the preface of the first volume of records.

Appended to this volume is a plan of the Old Arlington Street Cemetery, with indices of all the burials therein, so far as known. This is one of the oldest cemeteries in the State. Six of the original gravestones still standing here are older than any of those in the old cemetery at Plymouth. The appendix was prepared by Mr. and Mrs. Charles A. Stearns, members of the Historical Society, the plan being by their son, Edw. B. Stearns, C. E. The appendix supplements the volume of the epitaphs of this cemetery collected by Wm. Thaddeus Harris, and published in 1869. It was hoped to make the records of this burying place complete by adding the photographic copies of all of the memorial stones which have been taken by Mr. Albert M. Davenport, another member of the society, but the appropriation available would not allow of the expense.

Wheereas there hath ben aſute comenced againſt ye towne by ſundry of ye Inhabitants: for not allowing them aſufficient range for there catle: nor proportion of Feed acording to towne grants and ye towne willing to Iſſue it at home: have choſen a comittee

for y· purpoſe who haveing conſiderid y^t y^e towne hath diſtributed a tract of land to y^e Inhabitants which were then acounted the Towne: called y^e great dividents for to Incloſe or feed in commone and allſo another parcell of plowland: and land in lew of Townehip of y^e ſame extant: 2^ly: y^e Towne hath ordered long ſince y^t who ſoever did incloſe ſhould have no further rights but what he leſt in comon and: 3^ly: y^t all ſuch as had right ſho^d feed by proportion: allowing tenn acres for every beaſt as in there ſeverall orders doth more fully appeare: we conceive y^t y^e ſaid tracts of land are proportioned to oure hands long ſince by wiſer heds then oure owne: ſo y^t there is nothing wanting but to bring theſe orders into execution: and therefore y^e Town doth order y^t any Inhabitant y^t ſhall turne out to any herd more catle then his proportion acording to ten acres for a beaſt above a yeere old: ſhall pay for every oxe cow ſteer or bull ſo sinegulaly: put forth y^e ſum of ſix ſhillings eight pence ſor every beaſt whereof a third part ſhall goe to him y^t doth proſecute to effect and; 2 parts to y^e comoners of y^t range wherein y^e offence is found provided y^t if y^e major part of propriety in any range ſhall allow of any perſon withoute ſuch right to feed with them y^t th^o it ſhall not be accounted any offence unto y^e Towne: provided y^t they keep conſtantly within y^e compas of there owne range appoynted by y^e Towne: provided allſo y^t whenever ſome of y^e Townehip doe complaine y^t though they have no land in devident or Townehip yet they have land in farms which there catle can walk: it is agreed for there ſateſfaction y^t all y^e Townſhip inhabitants y^t have reall right in y^e farmes land within: 80: rods from weſt ſide of y^e Townehip it ſhall be acounted for comonage to them: provided it doe not prejudis other proporietors in y^e farme land: and y^t no man may be danefied by y^e ſuden proſecution of theſe orders aforeſaid: it is agreed they ſhall not take place until y^e: 16: Day of Aprill in y^e yeere 1673: and for y^e juſt improovement of theſe which by feeding in herds: there muſt be remooved ſeverall inconveniences.

[5]

1 the firſt Inconveniencie ariſeth from y^e Townehip herd who though they ly neereſt y^e feed: yet refuſe to take in many of there neighbours below them: and ſo brings a 4: fold Inconveinency: to y^e Towne: 1: it forceth 4 herds which is more by one then needeth and ſo expends: 12 or 14 pounds peranum: 2: y^e other 3 herds eſpecially ſom of them have not catle enough to pay wages but uppon high termes: 3: it forceth ſom herds to take home there dry catle which they might keep cheaper abroad and: 4 y^e foode y^t theſe dry catle expend would be better Improved for y^e milch catle.

2ly a ſecond inconveniencie ariſeth from mens pretending they doe keep theire catle by ſending theire childrin after them and ſo not willing to contribute to any herdsman.

It is ordered by y^e^ Towne y^t^ there ſhall be but 3 herds kept within y^e^ tract of land aforeſaid: y^e^ 1^st^ ſhall be called y^e^ mill herd: whoſe range ſhall extend from William Bonds houſe or further if y^e^ neighbours ſee meet, and ſo ſhall drive by y^e^ mill and ſo to Richard Cuttings and ſo over beavor brooke bridge and ſo to ſtonie brooke not intrenching in any place upon y^e^ devidents and over ſtony brooke ſo far as they pleaſe giving no offence to y^e^ proprieters of y^e^ farme lands, provided y^t^ Richard Gales farme be exempted oute of this range and y^e^ Towne doth expect y^t^ he will likewiſe keep his heard upon his owne land.

y^e^ ſecond heard ſhall be called y^e^ Towne heard and ſhall begin at y^e^ widdow Thatchers and ſo drive to John Biſcoes and ſo to old Pages whoſe range ſhall be the 2 furthermoſt ſquadrons of y^e^ great devidents.

the: 3^d^ heard ſhall be called y^e^ pond heard and ſhall begin at y^e^ pond and drive over Kings comon and ſo under y^e^ rocks to Thomas Straits: and ſo to Thomas Smiths houſe whoſe range ſhall be y^e^ two ſquadrons of devidents next cambridge line and every Inhabitant y^t^ have right ſhall fall in with one of theſe 3 heards and all private keepers are hereby reſtrained, privided y^t^ if it do appeare upon one yeers experience y^t^ y^e^ mill heard have more catle than a competant heard: and the Towne heard want catle: then upon complaint of eigther herd y^e^ ſelect men may order ſome or all y^t^ ſtreet

It is ordered y^t^ if they doe not agree with there owne range that then they ſhall pay halfe pay: and all y^t^ ſhall heard untill y^e^ firſt day of July ſhall pay pay whole pay: As for catle when runing at randum: y^e^ order made in y^e^ yeere: 70: we judge very good for y^e^ Towne: and deſire it may be contenewed.

and y^t^ theſe orders aboute hearding ſhall take place y^e^: 20^th^ day of Aprill in y^e^ yeere 1672: and that this is oure full agreement. witnes oure hands: Hugh Maſon: Thomas Haſtings John Shearman Richard Beers William Bond: corprall Randall: Doe not conſent to all y^t^ is writne but onely he doth judge y^t^: 6: acres is ſuficient for abeaſt: y^e^ marke of John Randall, wee whoſe names are under writne finding this writeing to be y^e^ agreement of thoſe perſons whoſe names are thereunto ſubſcribed, who weare choſen

NOTE. — The three pages of records on the two following leaves appear to be upon the last two leaves of another book. They were written with the book held reversed, so that the original outside margin is now the inside margin of the page. These leaves were probably inserted into this volume when it was re-bound in 1838. These three pages contain the original memoranda of proceedings, which all but those on page [84 a] have been entered into the Record Book. See pp. [81, 82, 89 and 116]. By error of dropping 20 from the correct number of page [67], and by reason of inserting these interleaved pages [82a to 84a] the correct modern paging is from page [85] on to page [230] 23 pages in advance of the older paging, while from page [231] on to the end it is, by another error, only 21 pages in advance. — EDS.

The town being meet together the: 21: of Sep^t^ 1696 for the ends aboue said did withdraw by concent for half an hour and each party did choose thre perſons to meet together to the end ther might be a more orderly debatt then cold be in publick: the perſons chosen by them of the eaſt end of the towne to Repreſent them in a debeat with them of the medill part of the towne are cap^t^ Nathanill barsham m^er^ Simon Stone and m^er^ Joſiph ſhearman: and thos of the medell part of the towne that wear choſen to Repreſent them in a debeat with ther naibours of the Eaſt End: wear m^er^ jonathan Sanderſon m^er^ phillip ſhattuck and benjamin garffeld who wear to debeat thos matters of differance that did kep them from vniting in loue and peace as to the worſhip of god in the towne and to make Returne of what they did to the towne at there next meeting: and the towne did by a vot ſuſpend there proſeding to the next ſecond day which wold be the 28 of ſeptember 1696 at two of the clock afternoon: and the aboue ſaid perſons did meet in order to a debeat vppon the 26: of ſeptember 1696 and ſeuerall propoſuls were made each to other on both ſids: but no concorrance on ayther partee: ſo it was left as it was when they began: but at the nex towne meeting it was deſiered that the persons aboue named: that they wold Repeat what was debated amoungſt them towards peace and vnity: ſo benjamin garfeld upon Requeſt of others did Relate to the towne the propoſuals made by both partis which are as foloweth: thos for the eaſt part of the town prepoſed firſt to haue two congrigations and a Rate made by the towne for there mayntinance o› both the miniſters: and ſo the people to be at leberty to goe to which meeting house they wold: 2: or to com to the ould meeting house againe: 3:

or to draw loots which ſhold be the meeting house for the towne: the anſwer of them of the medell part of the towne are as folow-eth: firſt that two congrigations wold not be conuenient becaus if we ſhold be in two congrigations it is much to be feared that it wold be an ocaſion of being two in ſparit: which by two long exſperience we haue found it very uncomfortable, secondly for us to goe to the ould meeting house wold be very vnreaſonable hauing built on in the place appointed for the whole towne: 3: as to draw loots for which place to meet in wold be altogether inconuenient because the towne did Refire it to a comitte which we count is a lott in that matter: and therfor we wold make ſum prepoſels to you

1 that there be a computation of the whole chargis of build-ing the house that the Reuerand mister gibs liues in and the Re-pairing of the ould meeting house and the building of the new meeting house and that ther be on generell aſsesment on the towne for all and the towne to meet in the new meeting house

2 becaus the new meeting house is moſt conuenient for the towne to meet in for the publick worſhip of god

[116]

3 if thay of the Eaſt End of the towne deſier that m^er^ gibs ſhold be firſt put to vott for the miniſter for the towne in the new meting house: it ſhall be ſo and if ther be a major voott for him we will comply with it

4 if m^er^ gibs hath not a major voott then we will put m^er^ angier to voott to be miniſter for the towne in the new meeting house: and if ther be a major voott for him we hoope that you will comply with it

5 it was firder offered by vs ſaying you are for the Reuerend m^er^ gibs and we are for m^er^ angier let vs haue them both in the new meeting house for the towne: but thos of the Eaſt End did not except of any of those proſuals that weare made by us of the medill part: and it was yet firder offered that if thay of the Eaſt End deſered a firder debeat ayther of the church or of the towne thay ſhold haue it

6 or if thay wold deſier to make choyce of ſum abell wise decrete perſons to ſeet as moderators to aduice and direct in that matter but our naybers wold not cumply with that nayther but ſaid that it was debated enuf alredy: and ſaid if you think good you may goe on according to the warning of the meeting

ſo after all this debating with our naybers of the Eaſt End the towne by a voott gaue ther concurance vnto the churches choyce in order to the calling and ſetteling the Reuerend m^er^ Samuel Angier in the worke and office of the miniſtry for the towne in the new meeting house *

Watertown Aprill 24th. 1721

At a meeting of the Inhabitants of the easterly Congregation in watertown

Voted at Said meeting that we do Choſe, deſire & Impower our former Committee or ſuch of them as are now ſurviving or the Major Part of them who wer Choſen & Impowred by the easterly Congregation or Precinct at a meeting legally warned and meet to gether January, 24th. 1714/15. To be now a committee to Represent this Congregation at the Town meeting warned by the Selectmen to be this day at the other meeting houſe at three of the Clock in the afternoon, and at said meeting to declare our willing ſubmiſsion too and harty Compliance with the Order of the General Court at their ſeſsions in November last refering to Watertown as to their miniſtorial Concerns, Judging what the honorable General Court hath ordered is best for the Town and most likly to put an end to our Contentions and to ſettle a lasting peace for ourſelues & Posterity, and also in our names to declare that we are desirous that the foresaid Order of the honorable General Court be Punctually & Sesonably put into practice: and further at said meeting if need be to enter a Protest against any vote or Propoſal that may be there made or offered to Invalidate or alter the aforesd. order of the General Court or to Prevent the execution of it: and to Declare in the name of this Congregation that we do account it a high affront to the General Court, and injurious to the peace of the Town, To endeavour or Pretend by a Major vote of the Inhabitants to overthrow the aforesaid Order of the great and General Court, and that for the Reaſons following.

1 first it ſeems to be a calling of the wiſdom and Justice of the great & General Court into Question as to what they haue ordered for Watertown, especially ſence what they haue is founded upon a Report of a wiſe and Judicious Comittee of worthey Gentlemen, Choſen and Impowered by ſaid Court to Repaire to Watertown and to view and Conſider of the prsent Curcumſtances of sd. Town, who did attend that ſervice and Received their Information from all parts and Papers from all Parties by their Commityes as well as by their viuing of the Town, who after all did Report that it was best for the Town to be in Two meeting houſes ſuitably placed, which Report was accepted by said Court, and is now a law for Watertown.

2 Seeondly, The great & General Court in their wisdom hath ordered and Determined that Watertown Shall be in two Precincts, and a Dividing line is ſtated and ſetled. and it cannot be lockt upon but as an affront to the General Court to endeavour by a Town vote to overthrow the late Establishment.

3 Thirdly, The Town hath by an unanimouſe Vote ſubmitted to a former act of the great & General Court of November the, 4th. 1712: for the ſupport of the ministrey in two meeting houſes, which Vote was on June the eight. 1713. and it most needs be injurious to the Peace of the Town now to endeavour to make that null and void.

4 fourthly, That which ought to be endeavoured after by all who wish well to the Town is that after so long a Difference & contention as there hath been in the Town, which hath been so Pernitious on many accounts, is that there might now be a lasting Peace setled and Established for the whole Town for ourſelues & Poſterity, and that cannot Reasonably be expected by still striving to come into one meeting house that hauing been the great difference for upwards of Twenty years, and we Deſire that what we haue here offered may be entered in Watertowns book of Records.
